FCC Form 508
Connect America Fund Broadband Loop Support Mechanism
Projected CAF-BLS Data Collection Form

FCC Form 508
OMB Control No. 3060-0986

NOTICE: Section 54.903(a)(1) of the Federal Communications Commission's rules requires each rate-of-return incumbent telephone company to elect voluntary model-based support to provide information needed to calculate the projected annual cost and revenue data for the upcoming funding year to USAC, the universal service Administrator. A rate-of-return carrier must submit this information on a form for the carrier to be eligible to receive Connect America Fund-Broadband Loop Support (CAF-BLS). This collection of information is based on the Commission's authority under Section 254 of the Communications Act of 1934, as amended, 47 U.S.C. §254. The data in the form will be used to determine the amount of support, if any, that each reporting carrier is eligible to receive from the CAF-BLS mechanism.

We have estimated that each response to this collection of information will take, on average, 2.0 hours. Our estimate includes the time to look through existing records, gather and maintain the required data, and actually complete and review the form or response. If you have any comments, estimate, or how we can improve the collection and reduce the burden it causes you, please write to the Federal Communications Commission, Paperwork Reduction Project (3060-0233), Washington, D.C. 20554. We also will accept your comments via the Internet if you email them to Nicole.Ongele@fcc.gov. Please DO NOT SEND COMPLETED DATA COLLECTION FORMS TO THIS ADDRESS.

Remember -- You are not required to respond to a collection of information sponsored by the Federal government, and the government cannot sponsor this collection, unless it displays a currently valid Office of Management and Budget (OMB) control number. This collection has an OMB control number of 3060-0233.

The Commission is authorized under the Communications Act of 1934, as amended, to collect the information we request to determine CAF-BLS amounts. If we believe there may be a violation or potential violation of the Commission's rules, regulation, rule, or order, your form may be referred to the Federal, state, or local agency responsible for investigating, prosecuting, or implementing the statute, rule, regulation, or order. In certain cases, the information in your form may be disclosed to the Federal, state, or local agency, or other adjudicative body when (a) the Commission; (b) any employee of the Commission; or (c) the United States government is involved in the proceeding before the body or has an interest in the proceeding. In addition, information provided in or submitted with this form or in response to inquiries may also be subject to disclosure consistent with the Communications Act of 1934, FCC regulations, the Freedom of Information Act, 5 U.S.C. § 552, or other applicable law. Confidential treatment of the filed data may be requested in the cover letter by following the procedures in § 0.459 of the Commission's rules, 47 C.F.R. § 0.459.
